Mitch O'Farrell, Councilmember, 13th District

Friend --

I have an exciting Councilmember in Your Corner planned for this weekend in Silver Lake! These monthly events are a chance to spend time with my constituents, hear from local community members and small business owners, as well as canvass neighborhoods to distribute important contact information for free city services.

My next district walk will take place Saturday, **April 30, 9:30 a.m. at 2827 Bellevue Avenue, in Silver Lake**. I hope to see you there!

This month, I will be joined by Los Angeles Police Department Senior Lead Officer Vic Gutierrez and our community partners with The Dream Center. Together, we will go door-to-door to distribute important contact information for city services. The CD13 Clean Team will also be on hand to help maintain the public stairs at North Reno Street between Bellevue Avenue and London Street.

Prior to the community walk, I will join the Department of Recreation and Parks to dedicate the newly installed fitness equipment at Bellevue Recreation Center [info]. I want to thank Nina Sorkin and the Silver Lake Neighborhood Council for the $5,000 contribution toward purchasing the equipment, which is just one of many improvements at the park. Recently, I helped plant 5 new melaleuca trees on the western edge of the city facility, and my staff is also working to get a new ADA compliant sidewalk installed along Marathon Avenue near the park driveway.

We have a lot to celebrate this weekend in Silver Lake! I look forward to seeing you at my next Councilmember in Your Corner event. If you want to join us, please RSVP here.

See you then,

Mitch O'Farrell
